Tom Willi, Acting Town Administrator  
Town of Davie  
6591 Orange Drive  
Davie, Florida 33314

Dear Mr. Willi:

Several issues need to be resolved before Broward County Mass Transit Division staff can recommend renewal of the Interlocal Agreement between Broward County and the Town of Davie for Community Bus Service. Broward County Transit Service Development Manager Sylvia Smith has discussed these issues via telephone with Assistant Town Administrator Robert Rawls, and Broward County Transit Contracts Administrator Irvin Minney has discussed these issues with you and Davie Programs Administrator Will Allen.

The most pressing issue is the need for a new route for the service subcontracted to the South Florida Education Center (SFEC) Transportation Management Association. During the last three years of service, the current route has averaged only 2.5 passengers per hour. This route travels along Southwest 30 Street/Abe Fischler Boulevard to College Avenue and the campus, from the Broward Boulevard Tri-Rail station. With the August 18<sup>th</sup> opening of the new Griffin Road Tri-Rail station, which is closer to the SFEC, you may want to consider changing the route to try and improve the passenger-per-hour performance.

The route is a part of the renewal interlocal agreement, which requires approval by the Town of Davie Commission and the Broward Board of County Commissioners. Should the Town opt to renew this interlocal agreement, we will need to submit the approved agreement to our department no later than September 1, 2000, in order to have the agreement approved by the Broward County Board of County Commissioners before October 1, 2000, and avoid an interruption in the contracted services.

Sincerely,

Robert Roth  
Director
